**Cities for Open and Participative Planning for Electricity grid Resilience [FA] /
Letter of Intent**

On behalf of Stad Gent I hereby confirm that Stad Gent will participate in the Interreg VIB project Cities for Open and Participative Planning for Electricity grid Resilience [FA] under the North Sea programme.

Stad Gent is familiar with all aspects of the project application regarding the Interreg VIB project and accepts to be a partner in the project. I hereby also declare that Stad Gent is willing to fulfil all obligations as described in the application.

Stad Gent will assume responsibility in the event of irregularity in the expenditure declared by Stad Gent.

In accordance with the project funding plan, Stad Gent will make available 434.660,00€ for our participation in the project. The funding will be available from 01/01/2023.
