**Motivering**

Op 25 januari 2016 hebben de gemeente- en OCMW-raad het arbeidsreglement goedgekeurd dat geldt voor het stads- en OCMW-personeel dat onder het toepassingsgebied valt van de rechtspositieregeling Stad en OCMW Gent. Het arbeidsreglement is een gedeeltelijk verwijzingsdocument naar de rechtspositieregeling en het basisdocument voor alles rond arbeidsduur.

De gemeenschappelijke uurroosters voor het Stads- en OCMW-personeel worden gebundeld in drie bijlagen van het gemeenschappelijk arbeidsreglement:

- bijlage 1 uurroosters glijtijd Stad en OCMW
- bijlage 2 uurroosters uurregeling zonder stamtijden
- bijlage 3 uurroosters tijdsonafhankelijk werken

Op 28 mei 2024 verleenden de drie vakorganisaties unaniem positief advies bij de toevoeging van een deeltijds uurrooster aan deze drie bijlagen zoals voorzien in de toelichting bij deze aanpassing.
